STAT

MEMORANDUM FOR: [REDACTED]
DDI Academic Coordinator

STAT

FROM : [REDACTED]
Chief, Acquisitions Branch

SUBJECT : Release of Unclassified Publications to Academics

1. Per our conversation two weeks ago, I am sending two unclassified OER reports to Professor Warren Law of Harvard Business School at his request. Professor Law, an economist, is the Faculty Chairman of the Business School's Program for Management Development which I attended last year. At that time Professor Law and [REDACTED] former DDI, met and discussed Soviet economics, after which [REDACTED] sent him a whole stack of unclassified OER reports.

2. The two reports which I am sending are:

- a. USSR: The Impact of Recent Climate Change on Grain Production (ER 76-10577 U, October 1976)
- b. USSR: Some implications of Demographic Trends for Economic Policies (ER 77-10012, January 1977)
